Director of Commercial and Economic Development and

**Contract Compliance Officer** 

# **Background**

The council has a statutory obligation, under international accounting standards and the Chartered Institute of Public Finance and Accountancy (CIPFA) standards, to carry out asset revaluations as part of our annual financial reporting. This was previously done under a contract with Wilkes Head and Eve LLP in 2019 with the full revaluation and subsequent desktop valuations.

We have engaged with STAR procurement and they have advised that we can enter into a framework agreement for a further 5 years

# **Financial Implications**

By agreeing to the contract then Charnwood would be signing itself up to a 5-year contract
