To whom it may concern,

It has come to our attention that comments that Mountsorrel Parish Council wished to submit in relation to the Charnwood Local Plan have not been submitted due to staff sickness.

Please could the following comments be taken into account that were RESOLVED by Mountsorrel Parish Council at its Planning and Policy Committee meeting on 5 August 2024: -

- P95: - Broadnook concerns were expressed that there is now no Doctors surgery planned which will put pressure on Mountsorrel and Birstall, both of which are already under pressure. This would also result in more car journeys being needed.
- P171: - No policy for car parking standards which is disappointing. Please advise if CBC plan to introduce a policy.
- P132: - Support for local service centres. Commitment to improve / offer car parking provision. Please advise what this would mean for Mountsorrel.

Thank you very much for taking the above comments into account.

Kind regards  
Hannah
