WHY MAIN MODIFICATION NOT SOUND	MAP CHANGE COMMENTS
<p>Groby Parish Council considered the Main Modifications to the Charnwood Local Plan 2021- 2037 at the Council Meeting held on 2nd September 2024.</p> <p>The overall feeling was that this was that the Charnwood Local Plan is a sound plan which holds weight. Although the Charnwood Local Plan does not greatly affect the Parish of Groby one of our neighbouring villages is Anstey.</p> <p>Groby Parish Council's only comment in relation to the plan is concern for the sustainability for the separation of settlements.</p>
