Charnwood Local Plan Examination Main Modification Consultation

Dear Sirs,

Woodhouse Parish Council is disappointed to see that it's comments on the draft local plan submitted on 20th August 2021 particularly regarding HA15 have not resulted in any changes to the draft plan. The HA15 area sits within the Woodhouse Parish and part within Quorn Parish, it provides a wildlife corridor and contains popular managed walking routes which should not be lost. The development of HA15 as outlined in the draft plan will further increase pressure on the rural roads and footpaths and as such have a harmful impact on the area. We believe that insufficient consideration has been given to these points.

Many thanks

Emma
