YOUR COMMENTS ON THE CASE

The Environment Agency intends to submit three documents in response to this appeal: i) Environment Agency response to 3354976, ii) Appendix A, and iii) Appendix B. However, Appendix A is unfortunately too large to be accepted on your portal. I am currently liaising with colleagues to ensure that you will be in receipt of Appendix A (flood data and maps) prior to the deadline of 26 December 2024. Documents i) and ii) have been submitted below. I apologise for any inconvenience this situation causes. Regards, Nick Wakefield, Planning Specialist, The Environment Agency.
